Re: Y-2 Sand, Reservoir B  
BUXTON CREEK FIELD  
Calcasieu Parish, Louisiana

Dear Commissioner Asprodites:

Application is hereby made on behalf of **HS RESOURCES, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Y-2 Sand, Reservoir B, in the Buxton Creek Field, Calcasieu Parish, Louisiana, said unit to be designated Y-2 RB SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any future wells drilled to the Y-2 Sand, Reservoir B, in the Buxton Creek Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing should the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Y-2 Sand, in the Buxton Creek Field, Calcasieu Parish, Louisiana, was previously defined in Office of Conservation Order No. 1380, effective December 8, 1992.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Cutright & Hardwick, Post Office Box 51783, Lafayette, Louisiana 70505, Telephone Number (337)232-7756.

Pursuant to the Revised Rules of Procedure, pre-application conference was held on June 28, 2001, at which the parties named on the attached list were in attendance. The conference was opened by Messrs. Richard W. Revels, Jr. and James F. Hardwick who explained the bases for the applicant's proposal. Questions were asked and answered. No counterplans were presented; however, some differences of opinion were expressed by various interested parties which could not be resolved, and opposition to the applicant's proposal is possible. The conference was then adjourned.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the pre-application notice dated June 8, 2001) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$700.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
